

## **REMARKS**

The foregoing amendments have been made preliminary to the examination of this application in order to present the application with the proper recommended headings, paragraph numbering, corrected claim dependency, and a proper Abstract, all consistent with current U.S. practice and procedures. References in the original specification to claims by number have been deleted. The grammar and/or spelling of the application has also been corrected and revised, as appropriate. The substance of the application has not been changed.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Karl Sawyer', with a stylized flourish at the end.
